Deposits of in Tirana Bank S.A are insured by the Albanian Deposit Insurance Agency (DIA), according to the law no. 53/2014 "On deposits insurance", up to 2.500.000 ALL or the equivalent in foreign currency for each depositor, regardless of the number of deposits or the amount deposited. The level of compensation for each depositor is calculated on the aggregate amount of insured deposits to the depositor at the Bank, regardless of the number of deposits, and the type of currency deposited or paid. DIA conducts compensation process immediately after it is notified in written by the Bank of Albania for latter's decision to put under receivership the Bank, or the decision of the Bank's voluntary liquidation. The compensation process is carried out in accordance with procedures established in the Law "On Deposit Insurance" and relevant regulations in force, and shall end no later than three months from the date of its commencement. DIA, whose mission is to create public confidence in the banking system in particular and the national financial system in general, provides and compensates all kinds of banking product in local currency deposits and foreign ones to any commercial companies that have the meaning as defined in Law no. 9901, dated 14.4.2008, "On Entrepreneurs and Companies", and / or any of its amended Law in Albania, until the amount specified in the law for each depositor in each bank licensed by the Bank of Albania to conduct banking activities. All exceptions to this protection are set out in the Law "On Deposit Insurance", and can be found on the official website of the Agency, For more information, leaflets of DIA are available at our branches or you can visit the DIA internet site at [www.dia.org.al](http://www.dia.org.al).
